THE STARTING LINE

Official Monthly Publication of Cowtown Mopars

2010 Cowtown Mopars RoundUp

Our annual show is almost here. It's been a fast turn around but it was decided the club needed to have it's show in the spring rather than hold another fall show. We are also doing things differently this year. The show will again be held on Sunday. However, Registration will not be starting until NOON. We have decided to have the show later in the day to coincide with the hours of the Allen Samuels (they open at 11am) and also to accommodate family and religious functions that traditionally take place on Sunday morning.

We will be needing a little help with setup and running things like registration and judging. The more people that volunteer the less everyone needs to work!! Some of us will be showing up around 11am to set up the table and audio equipment. It was also decided to not have parking areas for the separate classes. The judging group decided it was easy enough to find vehicles that trying to designate class parking was not worth the trouble. So parking should also be pretty easy.

Come out, bring your car, and HAVE FUN!!!

Get your FREE shirts here!!

In celebration of winning the Texas Muscle Car Club Challenge an 8th straight year, AND it being our club's 25th Anniversary, the club has decided to give away a free T-shirt to every club member. In order to qualify for your shirt, you must have your dues paid or postmarked by May 1st, 2010. When you pay your dues be sure to let us know your shirt size. Family memberships will be able to get two free shirts. Shirts will be \$10 each for those wishing to purchase additional shirts, and the order will only be placed once. People who have already paid their 2010 dues can contact Rick Brownell or Kirk Maisenbacher to inform them of their size. T-shirts are available in sizes from Small to 5XL. The shirts are planned to be ready for distribution sometime in June.

From the desk of EI' Presidente

The membership has spoken and the new Board of Directors is stepping up. We should look familiar since there were only a couple changes. Please welcome Rick "Stumpy" Brownell as Membership Director and Stephanie Porter as Activities Director. The club voted to keep the rest of us in office. Dave Mandato will continue to function as our Show Coordinator.

This latest group is working on making the 25th year of the club a busy one. The two big events are happening this month. Mopars at the Motorplex is kicking off on Saturday, April 17th and then our club show at Allen Samuels Dodge is on Sunday, April 25th. There are also neighborhood shows, various larger shows, and TMCCC racing days on the calendar too.

We plan on keeping the club busy beyond April. A cruise to the Galaxy Drive-In theater for a double feature is in the works. We're looking at some activities with other clubs including a first ever picnic with the Dallas Mopar Club and Mopar Magic out of Shreveport.

Check the tires and top off the tank. We've got some driving to do!

MEMBERSHIP INFORMATION

Rick Brownell, Membership Director

First thanks for electing me Membership director. OK! You are running out of time to get your free club T-shirts. These come with your paid up membership. You have to be current on your membership by May 1st to receive a shirt. These are nice blue pocket Tees. They have the club logo with 25th anniversary in the center on the front and a big 8 ball on the back to commemorate the 8th TMCCC championship for our racing team. These shirts will only be produced once, so the only way to get them is to renew by May 1st. We need a membership form with your new or renewed membership for our records. So please download and print a membership form from the club web site and include your shirt sizes on the bottom. I will be at the Denton race on April 11th and you can get a form from me there or at the car show at Allen Samuels Dodge on April 25th. See you there.

If you know anyone that races with us and was not at Ennis be sure you pass the info along. We don't want to leave anyone out. Also, be sure and sign up for the reward program, so we can keep up with your points as the year goes by. You will need to pay Charlene Dillinger \$20 at Denton before the first round to join the reward program.

CONGRATULATIONS to Frank Bonczek for being chosen for the wheelie contest at "Pinks All Out" at Crandall on the March 27th. Frank had the only Mopar represented in the contest and I'm sure he did us all proud.
