April is the month that the club officially begins the new year, and the new board takes over. I would like to welcome Steve Wiggin to the board as he will be the new Activities Director. After an extended absence from the club, it looks like he is ready to get started. Be sure to let him know if you have any interesting destinations for food and fun. Camille, thank you for your time on the board. It's been a pleasure working with you and Ron. Best of luck as y'all continue to chase your Masters Degrees.

The spring Car Show is Saturday, April 9th at SpeedTek in Haltom City. As always, we will be needing volunteers for the various jobs to make this a successful show. Since we will not be donating blood at this show, we still have a way to give back to our communities. The DFW Scanner Donates will be at the show with their Squad 51 replica D350. They take donations to support local first responders. Please consider bringing cases of water or sports drinks as a donation. Another hot summer is on its way. Let's keep them hydrated. Cash and checks are also welcome.

The race team will be headed north to Ardmore this weekend. Hope to see a bunch of y'all up there. We are 4 points behind the leaders. Let's get up there and make some rounds. And yes, that goes for myself.

Frank

PS: The spring show will serve as our monthly meeting so everyone can have a great Easter Sunday with family.

The Presidential Suite at the track! Man, what a view!

From our Activities Director:

Steve Wiggin

Hey Everyone!

First off, I wanted to thank Camille King for her service to the Club! She's headed back into the post-grad arena, and has begun to work on her Master's degree, so we all can wish her well in her studies!

Personally, my wife and I sold our ranch out at Cedar Creek in the fall of 2021, so I'm able to help out & participate with the Club once again. We spent 16 years working 7 days a week on our 2 homes, so the downsizing agrees with both of us now!! Since joining the club in the late 90s, we've seen a lot over the years, and personally are happy to have narrowed down our stable of vehicles to our 71 & 72 Cudas. I miss my Blue Coronet, but it lives on in Iowa now, so no regrets there, either. On that note, once the mechanicals are good, I'll be back out in the '71 first. Hopefully, we will begin working on getting Sheila's '72 back up & going in the next year or so.

Club-wise, the April 9th Show at Speedtek is our most important event of the year, given that we are a self-sustaining Club nowadays. Please consider supporting the Club by entering your vehicle in the Show on!!! Rain date is one week later (4/16/22), so please check FB for the latest information! After that, we will be listing lots of events on the FB page, so please check in there as well, from week to week.

I'd like to begin putting together a Saturday or Sunday poker run for the club, and possibly a display of our show team up at Cabela's or Bass Pro, so that might even be the final stop of a poker run, if I can work it out with either location. Any suggested stops along the way to add interest is welcome and appreciated!

Once again, keep an eye out on FB for new & upcoming events, and hopefully I can get caught up & meet everyone at Speedtek on the 9th!!!

All the best,
Steve Wiggin
Activities Director CMPT.

HEY TWENTY TIME TMCCC CHAMPIONS!!!!

We just finished our Race at Ardmore and had a decent turnout for Cowtown but we had a few more breakdowns that hurt us. We only had 1 driver go into the Semis and that is Trice VanKueren in King. Hopefully we had enough Racers to keep the lead. Next Race is May 29 at Xtreme.

We had a very nice Hot Rod from south of Oklahoma City that came to make his first pass on a race track. It was a Dart GTS Convertible with a Hellcat Engine.
His first pass was a 6.54 in an Eighth Mile.

See all of you at the Car Show and the next Race.

March 26, 2022 Cowtown Mopar Club Meeting
25 Members Present
Location: Kirk and Selena's House

Call to Order at 3:55pm

1. Frank Smith opened and thanked Kirk and Selena for hosting the picnic. It was great weather and good food with awesome company. Frank canceled the Club Meeting on 04/17/22 as that falls on Easter Sunday. The meeting will be held at the Mopar Round Up Show on 04/09/22 instead.
2. Frank then spoke about cruise options. Twin Peaks is a viable option as they only need a 2-week notice and can provide us with 19 reserved spaces. Another option is Northwest Regional Airport. Frank met the owner, Glen Hyde, at Autorama and he was interested in hosting the Club on 06/04/22 at 3;00pm.
This cruise would need to be on a rsvp status as the Club would need to rent porta-potties. Frank will reserve our cruise in May and reservations need to be in to him by 05/01/22. Any other ideas for cruise options please contact Steve Wiggins.
3. Board Nominations were presented with Steve Wiggins being recognized. He is the only new Officer running and he will be taking over the Activities position. Motion to accept and nominate all officers was presented and seconded by Rich Lemmon and thirded(!) by Kurt Schuster.
4. Kurt Schuster was recognized and stated that he has filed the annual club "No Tax Due" report and the "Club Publication" to the State Comptroller. He mentioned that the plaques for the car show are printed and ready and Club t-shirts are available for sale at $10 each. He and Frank will be picking up door prizes for the upcoming Mopar Round Up Show at SpeedTek. They are planning on going to Northern Tool and SpeedTek but said anyone is always welcome to bring door prizes from their favorite car stores.
5. Frank spoke about our upcoming show at SpeedTek. This will be a Mopar only show. LT's BBQ will be the food vendor, there will be a vendor with metal die-cast cars and "Photo to Sketch" may be present. Rich Lemmon is looking for Judges - please contact him if you are interested. Our charity this year will be "Squad '51" they collect water and Gatorade for First Responders who fight fires. It has been suggested that we all try to bring a case of water and/or Gatorade-style drinks to the show. SpeedTek is also offering 3 Dyno Pulls (no tuning) for $60 (cash) or $70 (credit). Frank also mentioned that a bunch of us will be meeting at Bluebonnet Cafe at 7;00am so that we can get all fed, sugared up and help with setting up. All are welcome to join!
6. Bill Boone mentioned that we have had 3 race dates canceled. They are trying to find a track that will take us but have not had any luck yet.
