COWTOWN MOPARS ROUND UP 2009

Mark your calendar. September 27th, 2009 is the date for this year's Cowtown Round Up Car Show. It will be held at Allen Samuels Dodge, Loop 820 in North Richland Hills. Take note this show is on a SUNDAY this year due to the dealer being open on Sunday rather than Saturday. Registration is from 9 to 11am, but we know some of you are going to show early....like you always do! Entry fee is the usual \$20 that it has been in past years. Classes will be judged and awards will be given out between 2 and 3 pm. If you need to leave early and you win an award, we will mail it to you.

This year Allen Samuels Dodge has generously offered to pay for the refreshments at the show, and has been very helpful in setting up the show field layout.

Ken Castlemen has generously offered to be our DJ as he has in the past. His efforts are always appreciated.

We are always looking for volunteers to help with things the day of the show. If you are interested in helping out with set up or working the T-shirt or 50/50 ticket sales, Registration, etc, please be sure to contact any of the board members.

From The Desk of El' Presidente

September is on us and the show is coming up fast. Be sure you have your calendars marked with the show on September 27th at Allen Samuels Dodge. We've got a few volunteers and could use a few more. The Club Challenge races will be starting up again on September 13th. We've got a good lead but we can afford to sit back and coast through the remainder of the season. The weather will be cooling off so fire 'em up and hit the track.

Sadly, we have lost another good friend. Former club member Eddie Parsley passed away Tuesday, August 18th. He was a good person and was always willing to lend a hand. His son, Richard, has raced with the club. Our thoughts and prayers are with the family.

See you at the show,
Kevin Alexander

If you didn't get a Mopars at the Motorplex t-shirt, see Mark Buchanan. We only have larges, \$5 each, for all shirts. I also have most different sizes of the Ronald McDonald House shirts made by MAALT Transport to raise money for RMH at the event. Cool shirts, get them while they last.

For anyone who hasn't noticed, most every law enforcement agency in the DFW area is now running Chargers to some degree in their fleet. Dallas Area Rapid Transit has just finished a three year phase out of its Crown Victoria cruisers for 60+ Hemi Chargers.

September 2009 Car of The Month
Johnny Woodside's 2006 SRT-10 Ram

My 'Vipa Ruck', as my four-year-old son so affectionately calls it, was purchased used this past January. It is a 2006 model and we found it in Arkansas. With only one previous owner and 4800 miles on it, I couldn't pass this one by. The truck has 519 hp, 4:56 gears, gets 12 mpg, and makes a lot of engine clatter (even with 10 quart of Mobil1 oil)! Very few trucks will spin the tires in first gear effortlessly and then catch a good amount of rubber in second while pulling hard & loud throughout the power band!

Time and money permitting, I plan to upgrade the truck in the future (full exhaust & computer upgrades).
