Recycle Your Car Magazines

Don't throw out those recently read car magazines, recycle them at the club meeting. Each meeting there will be a box to put your old car magazines in and maybe pick up a new one or two. We will find a good home for the remainder.

Thanks, *Rich and Barry*

“In The Works”

Chris Sharp, Activity Director

Hello fellow Mopar members. Summer is fast approaching and that means its prime time to get those Mopars out of the garage and on the road. Below is a list of events that will be scheduled through October. Along with the below list will be a monthly breakfast. Please see the club website, Facebook page and future club newsletters for more specific times, dates and information.

June 10th- Breakfast at 9am at Rudy’s BBQ in Arlington.

June 24th- Cruise to East Texas for antiquing. We will leave early Saturday morning for a cruise to Gladewater, Texas to cruise there numerous antique shops. Stopping for breakfast along the way. After a day of antiquing and lunch we will cruise the backroads back to town.

July 8th- Hemi Hideout. For those who can, we will leave Friday July 7th in the evening and cruise down to Brookshire, Texas and spend the night stopping for dinner along the way. We are scheduled to be at Hemi Hideout at 9am Saturday morning. They will be having their Christmas in July event with additional vendors the same day we are attending. We will have access to the facility for five hours. Once we leave Hemi Hideout we can cruise back together or go our own way back. I need an RSVP by July 17th so the facility will know how many cars to expect. They are allowing us to park as a club closest to the front entrance for other visitors to see. I have extended the invite to the Dallas Mopar Club. Please encourage anyone you can to come join us. The more the merrier!!

August- Dinner and cruise to the drive inn movies in Ennis, Texas at The Galaxy Drive Inn Theatre. Date, time and dinner location to be announced.

September- Club picnic. Actively looking for a place to have a picnic. The invite has been extended to the Dallas Mopar club as well as the DFW LX club. Lets have a big Metroplex Mopar gathering. Date, time and location to be announced.

October- Dyno Days at SpeedTek in Haltom City, Texas. We have had a great turnout in the past for this event. Plan on coming out and putting your car or truck to the test. Even if you don’t want to put your car or truck on the Dyno come and support your club members. Time and date to be announced.

Please join us for as many events as possible. All would be great!! Please visit the website and Facebook page for details on dates, locations, times and more information. Or you can contact me.

See ya down the road!!

Chris

Bobby Avis and Don Deering
Race Team Coordinators

FIFTEEN TIME TMCCC CHAMPIONS!!!!

This is my last installment as race team coordinator (for now anyway). A few years ago (2007 give or take) Bryan Carpenter passed the race team coordinator position along to me and now I pass it along to Bobby Avis and Don Deering. Hey guys that's 10 years for me so it stands to reason that will be 20 years for you two. Please give Bobby, Don and Mike Bearce (new TMCCC contact) all the support you have given me. Thanks everyone!!!

I have one more request and that is we need a cook until Ken Angyal is able to return. Kurt has filled in for Ken and was at 2 of the 3 races that were rained out. Thanks Kurt!!

This doesn't mean I won't be at the track because as of today I have only missed one race in 15 years and that was when I had 8 broken ribs and a hole in the upper lobe of my right lung.

Now for the race news. We had a race scheduled with no rain so of course it was rained out. We have two races scheduled in June.

Congratulations to our Denton winners. We had a great day at the track!!!! We are now in first place by 1 point. There were 143 racers with 21 running for CMPT and out of our 21 we had 7 awards. Thanks to Kurt for getting the food and cooking for us!! Great job!! Thanks to Rich for bringing the cooker!!

Mopars at the MotorPlex 2017

Show...

And GO!!!

Off The Wing by Barry Hansen

Mopar spotting...the big news of course is the release of the 2018 Dodge Demon. Getting all kinds of attention. Almost a full issue of Hot Rod dedicated to it including a 4 page fold out poster (see the picture of our VP holding it). Basically a super stock, almost a Pro Stock car with a license plate on it. The specs are amazing. Mopar taking orders now for November delivery. \$85,000. It sure made the brand X and bowtie boys in my training class quiet.

Stream of consciousness dept...Fiat-Chrysler introduced the SRT, the SRT 392, the Hellcat, the Viper ADR (American Drag Racer, 900 hp supercharged V-10) and now the Demon. Gonna be mighty hard to top that one.

As some of you already know I may have found my dream job. I am now an employee of Summit Racing Equipment. Training now, will be a salesman in the new retail store in Arlington when it opens in mid August. I am actually getting paid to attend lectures and participate in discussions on block prep, cylinder head flow theory, cam selection, pistons and rings, carbs, fuel inj, etc. I look forward to you visiting the store so I can give you the grand tour and the red carpet treatment. Summit really likes to support the local car scene and host lots of events so look for good things to start happening soon.

NHRA report...if it weren't for Ron Capps winning the last three races in his F/C Charger there would be nothing to report. Pro Stock is laying an egg, Drag Paks, COPOs and CobraJets are having to slug it out in Super Stock ranks before running each other and Pro Mod is going the way of the aero F/C cars. NHRA please do something quick.

It's the little things dept...got the power door lock and radio working again on the Sebring. The top goes mostly all the way up and mostly all the way down under its own power. Finally repaired to the point where I don't have to tell my wife what to do and what not to do before she drives it. Ah progress.

What a treat, I'm driving a Mopar today.
