### *Election of Officers*

Our annual election of officers will be held Sunday, Mar 19, 5pm during the regular monthly club meeting. The President and Vice-President are both stepping down this year. If you are interested in running for those or any other elected office above or know someone who is please contact any of the current board and/or nominate yourself at the March meeting. Please plan on attending the March meeting to vote on the new officers. Your vote is very important. Thanks

### *Membership Dues Increase \$5*

Annual membership dues, both new and renewing will be going up \$5 across all categories. This is the first increase in 30 years. Avoid the increase this year by renewing your membership on or before March 25. Renew now or at our annual car show, Saturday, March 25. After that dues go up. Thanks

# FROM THE WEST WING

Hey Cowtown Mopars members!

It's been a eventful month so far. Lots of things happening as we move into Spring. With an eventful month in March and a month packed full of car stuff in April I'm starting to wonder how any of my home projects are going to get done. I am really hoping to have Sarah's car finished soon but it seems like every time I take a step forward I take a couple back as well.

As many of you know I will not be seeking re-election as president. With work continuing to grow and projects for the house taking up a lot of my free time I just do not feel I will be able to put the effort into the club that is needed and deserved. I have enjoyed my time as president and want to thank everyone for all their help. If anyone is interested in running for President or Vice-President please let us know as soon as possible. I know there are some great leaders in this club and I would like to continue to help where ever possible.

*Mike*

## From The Veep's Desk

Well, I am back again, this time with a sad note. Due to circumstances I am going to have to step down as goof-off, er, I mean Vice President so I can accomplish a lot of things needing done around the house and Jeep.

I admit it's been a good run. Seen a lot of changes in the club except for the race team. They seem to always pull it out, great job guys. The show team has done real well the last few years also, kudos to them. My harsh taskmaster Barry has done a good job keeping most of us contributors on the straight and narrow. Hope I haven't bored y'all with my ramblings.

I haven't seen any real strides in the automotive field other than the awaited Demon Challenger. Supposed to be more powerful, lighter and faster than the Hellcat. Of course you would be cruising by yourself as they tossed the passenger and back seat to save weight. No fun by yourself, right guys?

Driving home from work the other day I saw a Chrysler 200 hard top convertible. Didn't realize they made one, maybe a custom job, but you could tell it was a two door hard top convertible because of the way the roof was sectioned and the shape of the trunk. Had a cutie driving it too but then I only have eyes for my bride!

I want to thank Kurt for the phenomenal job he has been doing and JoAn for her tireless service and sense of humor, always brings a smile to both me and my wife. Don is a character too.

I think at the next car show we ought to take a moment of silence for all the members we have lost the last few years, the latest being Dave (Mandato). If everyone would join me it would be appreciated.

Alas, for the moment I have run out of things to say, so stay on the sunny side. See y'all at the meets!

*Phil*

## **“In The Works”**

**Chris Sharp, Activity Director**

Hello fellow Mopar folks. Spring is in the air. Let's make this "The Season of the Mopar".

What better way to kick it off than Spring Break and a trip to The Malt Shop, Saturday March 18th. We will meet in the Lowes parking lot at I-20 and Bryant Irvin Road in Ft Worth at 6:00p. We will then cruise out to The Malt Shop in Weatherford.

Saturday March 25th is the annual Cowtown Mopars Car Show at SpeedTek in Haltom City. Details in the newsletter.

Saturday April 1st is Mopars at the Motorplex. Great day of racing and a car show as well. Come join us!!

Saturday July 8th is the cruise to Hemi Hideout. We will meet on Friday night and all that wish to will cruise together to Brookshire, Texas and spend the night. We can stop along the way and have dinner. Then on Saturday morning we will cruise over to Hemi Hideout at 9am. Once I have an RSVP number I will inform the facility and we will be allowed to park as a group by the front entrance. We will have access to the facility from 10am to 3pm. They are having Christmas in July that weekend. There will be additional vendors on site. Once I know who all is going, we can arrange the details for how we want to come back. Please RSVP as soon as possible. This is gong to be a great cruise for the club and a great weekend as a group. Please stay tuned to future newsletters for additional information. If you have any questions about this trip, please feel free to contact me.

Thank you for all who came it to the February breakfast at Rudy's BBQ. We had at least 24 in attendance. Thank you to all who came for the Saturday cruise in at Freddy's. we had about 20 in attendance.

Keep coming out and support this great group of Mopar enthusiasts.

Mark Buchanan - Race Team Coordinator

# FIFTEEN TIME TMCCC CHAMPIONS!!!!

Well it's time to start off the 2017 season with some big wins in Denton and Ennis in back to back races. It seems like Summer is already here but I'm sure Winter isn't over yet. Ken Angyal has been on the club grill for years but will miss the first couple of races. Kurt Schuster has been nice enough to volunteer to cook in his absence. Please help him out in anyway you can. It's very nice of him to step in for Ken in his absence. Thanks Kurt!!!

This past Tuesday was a weird day for me. I sold my '64 to a guy in Mesquite. It was strange to pull away with my trailer and car being left behind. My folks bought that car in '02 or '03 and my dad raced it for 5 years. I bought the car when he quit racing and ran it till the end of last season. I'm glad that my best year to date was my last year in that very cool '64 Dodge 440. What an enjoyable car!!!!

Enough about that. It's time to race so I will see ya at Denton.

Stay Tuned,  
**Mark**

### 2017 Race Schedule:

March	5	Denton
March	12	Ennis
April	2	Ennis
April	23	Abilene
May	7	Denton
June	11	Denton
Sept	10	Wichita Falls
Oct	8	Denton
Oct	29	Ennis

## *Off The Wing* by Barry Hansen

Mopar spotting...March issue of Hot Rod, build-up of a Chrysler Poly V8. CID not mentioned but suspect the poly was a 360 CID. Bored and stroked to 402, with fuel injection made 600 hp... April issue of Hot Rod, extensive article on streamlined and mid engine dragsters, 1964 streamliner the “Silver Bullet” used brand new for '64 Dodge 273 CID V8 power, C/ Modified on gas 142 mph, on nitro (a 273 on nitro?) 162 mph...magazine ads for new all wheel drive Challenger GT... driving in Arlington the other day got behind a big black Dodge Ram dually quad cab pick up limousine complete with bed, must have been 20 feet between the front and back doors.

NHRA Winternats, Pomona, CA, Matt Hagan, Charger, F/C winner. Arizona Nats, Phoenix, AZ, F/C all Charger final, Ron Capps over Matt Hagan. Pro Stock probably a bust this year. Mopar pulled all Pro Stock support, forcing team Enders and Coughlin into Camaros. In a sea of Camaros, Allen Johnson and two others will campaign Dodges as independents. No Fords at all. Pro Stock is going to look like a “spec series”, we will all die of boredom and it will go away. Pro Mod is going the way of F/C, rules are letting them modify the bodies more and more for aero and less like original sheet metal, another class on the road to ruin. NHRA losing fans and TV coverage like mad. Needs a Nostalgic F/C class, stand hard on body rules for Pro Mod and a SS/F (factory) stand alone class (Drag Paks, Cobra Jets, COPOs). But will they listen, oh no. They like cars that all look the same and they like losing fans.

Great times were had in Feb, breakfast at Rudys, lunch at Cafe 1187 and dinner at Fredmys. If you missed them you missed some great weather, great fun and great fellowship. Thanks Chris for making them all happen. More good stuff in March.

On second thought dept...I was yet again under my Caliber working on the check engine light emissions control problem when I noticed two bad rubber bushings on the rear axle lower mounts (has a pretty sophisticated 5 link strut IRS). Wait, there are rubber bushings all over the rear end, no ball joints or tie rods anywhere. Cheap, cheap, cheap, bad, bad, bad. Then I remembered, with big bad metal ball joints and tie rods on my '69 Charger in 170,000 miles I rebuilt the front end 3 times already. The Caliber has 152,000 miles on it and this is the first time I replace two main mounts, the rest of the mounts look good so far.

A great big Texas “Thank You” to everyone who sent Christmas cards to Dave Mandato and Morris Counts.

Mopar, Imported from Detroit

### ***Recycle Your Car Magazines***

Don't throw out those recently read car magazines, bring them to the meetings. Each club meeting there will be a box on the table to put your old car magazines in and maybe pick up a new one or two. We will find a good home for the remainder.

Thanks, *Rich and Barry*
