# FROM THE PRESIDENTS DESK

WOW – WOW – WOW!!! What else can I say about our 29<sup>th</sup> Annual Cowtown Mopars Car Show. For those of you that were not there you missed a great show and probably our biggest since 2007 when Diane Sox and the Sox and Martin Cars were there. The counts vary as we had several display only cars come and go. Kirk gave an official count of 119 cars and Kevin Coder counted 123 cars at one point. I saw 2 or 3 cars come in after Kevin gave me a count. Whatever it was, it was a great turnout and a lot of cars we never saw before. We had cars from Oklahoma City, Waco, Austin and even Lubbock. I want to thank everyone that came and everyone that had a hand in making this the show it was. Also a big thanks go out to Allen Samuels Chrysler Dodge Jeep Ram for their continued support along with 14 other show sponsors. You will find all our sponsors on the sponsor page of the newsletter. Please check them out and use them when you can. The show always marks a change in your leadership. We have 3 positions that we say bye to last year's board members and welcome new ones. Our long time Treasurer, Dan Robinson was replaced by Kurt Shuster, our interim Membership Director, Ken Key was replaced by Joan Deering and our Activities Director, Susan Brownell notified the Board that she would not be able to continue in her position and the Board selected Chris Sharp to take the position for this year. I want to thank all the previous members for their time spent with the board and welcome our new members for this coming year.

Now for the bad news. A long time Club Member and current Co-show Team Coordinator – Morris Counts had a Stroke on April 15<sup>th</sup> and is in Harris HEB Hospital. He fell and broke his hip in the process and is in for a long recovery. I went to visit him yesterday and took him a show shirt and a Plaque from the show to hopefully lift his spirits and he smiled and kept staring at the plaque. We all wish Morris a speedy recovery.

That is it for me. You will see in the newsletter information on the new 30<sup>th</sup> Anniversary Club Pit Shirts that are available for order now. See you at our June Meeting at Spring Creek.

*Mike*

## 30<sup>th</sup> Anniversary Cowtown Mopars Pit Shirt

For the club's 30th anniversary we will be offering new pit shirts. These are a lighter weight shirt than in year's past. Designed to wick away moisture, they will keep you cooler in the summer months. Cost is \$25, and that includes getting your name sewn above the right chest pocket. Sizes available: Small to 4XL. Please note the shirts run just a bit small in the shoulder, so if you are on the upper end of filling out your usual shirt, order one size up to make sure they fit. I typically fit in a 1XL, and my orange shirt in the picture is a 2XL. We will be placing the order about the end of May, so be sure to get with a board member before then.

## HEY THIRTEEN TIME TMCCC CHAMPIONS!!!!

On Saturday (ed note: Mopars at the MotorPlex Mar 28) I know a bunch of members won money and awards from the race and car show. Thanks to Ken Angyal and Jim McCutcheon for judging this years [M@M](#) show.

Congrats to the winners including:

Ken Angyal won best interior as well as another award in his convertible.  
Jimmy Stewart won best of show in his 68 'Cuda.  
My friend from L.A., Johnny Doss won first in class in his beautiful green 4 speed 69 GTX (Johnny also raced his GTX Saturday and Sunday).  
And my friend from Down Under, Vic Corlett won NSS this year in his big block '67 Dart.  
Well done everyone!!!!

The third race of the TMCCC race schedule for 2015 took us to the first of three races at the Motorplex (Mar 29). There was a great turnout with 210 races and over 30 running with Cowtown Mopars

Congrats to:

Stan Allen ----- winner king muscle  
Pete Phelps ----- runner up super muscle  
Don Deering ----- semifinalist stock muscle

Well the 4th TMCCC race for this year (Apr 26) was cancelled because part of the track in Ardmore is under water. I didn't expect to hear that. The last several years we have been in a drought now we have water standing. We have been way over do so I see no problem in rescheduling a race or several races because of much needed rain.

The best Cowtown Mopar show I have been to was the last show we had in Lewisville in 2007. This year was a very nice show and congratulations to everyone involved. It was well attended by participants as well people just out to look around. Congratulations everyone!!!!

Stay tuned

*Mark Buchanan*

## *Off The Wing* by Barry Hansen

Easter roadtrip to Kansas City. Outside a BBQ joint (I insist at least one each visit) saw my first Mr Norm Gen III Challenger to Hemi 'Cuda convertible conversion. Yellow with 1971 black billboard "HEMI" stripe and '71 grill and taillight treatments. Awesome looking, awesome sounding. Please oh please FCA make a drop top Challenger.

Get out and go dept...if you are anywhere near Tulsa, OK before May 25 I highly recommend a wonderful traveling exhibit "Ladies and Gentlemen...The Beatles!" Concentrates on their first tour in 1964 with photos, contracts, newspaper clippings, ticket stubs, programs, playlists, records, audio and their actual well-worn instruments. In north downtown, easy to get to, close parking, awesome exhibit of the world's greatest group. Wood Guthrie Center, 102 E. Brady St, Tulsa, OK. [www.Woodyguthriecenter.org](http://www.Woodyguthriecenter.org)

Get out and go dept, part 2...looking for a short roadtrip, someplace close to eat on a lazy Saturday afternoon? Consider the Switch Cafe in Cool, TX. 8 miles west of Weatherford on Hwy 80. A "real" Cotton Patch Cafe. Gravel parking lot. Mismatched tables and chairs in a little general store. A local musician in the corner playing folk and country music. Short menu of comfort food wonderfully prepared. Great atmosphere. Facebook "the Switch Cafe".

Latest issue of Hot Rod, several of their staff flew to Dallas, road trip back to LA with a Hellcat Challenger, Hellcat Charger, a Viper and a '68 572 cube HEMI Super Bee clone. Man what a tough assignment.

What were they thinking dept...after many years enjoying the "Little Deuce Coupe" album finally found copy of "Shut Down, Volume II". Side one has only 3 car songs, only two are good (Fun, Fun, Fun and This Car of Mine). Side two no cars songs. The eagerly awaited "Shut Down, Part 2" is not a rematch of the 413 and the Vette. Oh no, of course not. It is a stinkin' instrumental. Wikipedia says it received bad reviews and poor sales. I should not wonder.

Cowtown Mopars/Allen Samuels car show was great. After Sat night brought big storms, Sun weather was perfect. Not officially opened until 11 am, lot was almost filled by 10 am. Many cars from the Dallas Mopar Club, many other Mopars from out of town. Cowtown Mopar Performance Team out in force, drove in with open headlights. I was told at least 100 entries for the show and maybe another 30 or so cars on display. Several of us agreed show was a big success. Thank you Allen Samuels CDJR and Chrysler Corp for your support. Onward to the PDC picnic May 16.

Mopar spotting...Watching season 1 (1965) of "I Spy". Several episodes in Mexico with lots of 64' Belvedere and '65 Dart yellow cabs, '62 Dart bad guy cars, pink Willys "tourist" Jeeps.

Morris Counts, one of our long time and beloved members is in Harris HEB hospital. Had a stroke and took a fall. Needs our support. Go and visit if you can. Several of you already have, I sure will. I have a stack of magazines for him. Morris, our thoughts and prayers are with you. Don't be fooling around, get well quick and get out of there.

Mopar, one of the more poisonous of the species
