From The Pres's Desk

Rain of shine, the show must go on. And that is exactly what happened at the Dallas Mopars Clubs Mini Nats. What a great turnout for such a lousy start to the day. Good job Dallas Mopar Club. Looking forward to next year.

The weather was just the opposite for our cook out at the Ronald McDonald House. Typical August weather, sticky and hot, but nonetheless a brave group served up hamburgers and hot dogs for a grateful group of parents and children. Thanks to those that brought cars and helped with the cooking. Next year we will use the kitchen at Ronald McDonald House, and save the cookout for the Spring and Fall.

Don't forget, this months general meeting will be held at River Legacy Park in Arlington. This is our joint picnic with the Dallas Mopar Club. We have the park from 8am till 1pm. Donuts and coffee for early Arrivers.

October 5th we will be hosting an all brands and years car show at the Cleburne Railroaders Ball Park, in Cleburne. This is a new event and we need to get the work out to everyone that likes to show their rides. Food and drink available, and a live bank to end the evening. Check out the flyer for more info.

That's all for now as I gaze up into the Wyoming sky from the back of my pickup. On the road again !!

***Hello Everyone*,**

We had a really good turnout at our joint club picnic with the Dallas Mopar Club. Yes, it was hot outside, but we had a nice breeze present at River Legacy Park in Arlington. We missed a lot of our members being there, but those that were there had a good time visiting, playing bean bag toss, and talking about our families and our rides.

The parking lot was graced with some really cool MOPAR's.

Hope to see everyone at The Fall Grand Slam Car Show, October 5th where the Cleburne Railroaders play their baseball games. See Flyer for info. *Camille*

Greetings from this "Ole" Newsletter Editor:

Bill Boon

Well I finally got a good tune on my new, smaller 440ci Motor. It's not as quick, or fast as my old 446ci, but at least I found some consistency, and was able to make seven complete passes down the track without any issues at all. The Dart and I Semi'd at Ennis, and I moved into the Electronics Points lead, but only by one point over Kelly Brown for LoneStar Corvette . So I have got to step up at the next three races, and win this Championship for our Cowtown Mopars Club.

Want to thank all of our club members for helping make Cowtown Mopars a great club to be a part of.

Email to articles to—- txtrlrman@aol.com. Thanks a bunch ***Bill Boon***
